Let's

Click & Play

Clicformers shares the joy of playing and growing, with every child around the world.

Designed and developed by play/education specialists from 'Magformers' - the global leader in edutainment, highly popular in 60 countries- and 'Clicks' - Belgium's finest Toy Brand -, Clicformers means much more than just a play.

Under its brand slogan "Let's Click & Play", Clicformers brings together
pieces and accessories
creativity and imagination
creation and story
play and education.

Mixing the joy of growth with the fun of play, Clicformers is a 'Construction Toy' for every child.

Clicformers

The Joy of Playing & Growing

Clicformers invites you
to the new kingdom of 'Construction Toys'

Clicformers Play System

Utilizing four unique combination methods
-CLICK, STACK, FOLD, HOOK-,
Clicformers enables children to create almost anything
they imagine, and engage in various role-playing.

A new block system with four combination methods

Clicformers grows the creativity of our children, with four unique ways of combination.

CLICK

Combine in 3D
by clicking

STACK

Make more figures
by stacking

FOLD

Express and create
by folding up to 180°

HOOK

Expand infinitely
by hooking

Expand the play

Clicformers' click-to-combine design enables creative & solid construction, and the accessory mix takes it beyond construction play.

Compositions of CLICFORMERS

Clicformers come with simple basic pieces with high level of applicability, and various accessories that add more fun to the making. And the assorted colors of these components help to grow the aesthetic sense of the children.

Clicformers Manufacturing

From design to production, Clicformers complies with the rigorous safety standards of the European Union and the United States. It is no surprise we are winning global recognition.

DESIGN & DEVELOPMENT

Designed and developed by Magformers, a highly popular magnetic toy in 60 countries, Clicformers is a 'Construction Toy' that is easy to make and have fun with.

MADE IN BELGIUM

Clicformers manufactures everything in accordance to European Union's strict safety policies on toy production.

HIGH QUALITY

Complying with the rigorous safety and environmental standards of the Europe Union and the United States including CE, ASTM, and EN71, Clicformers' quality is globally recognized.

Clicformers Product Lines

Clicformers has three lineups - the Basic Set for unbound creation, the Theme Set that adds the special fun of role playing, and the Deluxe Set that combines various imaginary concepts and creative plays.
